# Disrupt the transmission to Keep Wales Safe

Monday 6 December, saw the launch of a new campaign to 'disrupt the transmission' of COVID-19.

With high infection rates and the emergence of a new variant, this new multimedia campaign communicates the behaviours we can all do every day to disrupt the transmission of COVID-19.

These are:

- Wear a face mask
- Get vaccinated
- Get tested and self-isolate.

The importance of ventilation and the use of lateral flow tests are also included in wider campaign materials.

You can view the new TV advert [HERE](#)

This new asset bank link contains all the 'disrupt' assets for use across a broad range of communication channels: [KWS Disrupt The Transmission](#)

[GOV.WALES/KEEPWALESSAFE](http://GOV.WALES/KEEPWALESSAFE)

## HEALTH AND SOCIAL SERVICES LATEST NEWS

### [All eligible adults in Wales to be offered booster vaccination by end of January](#)

NHS Wales has already started to ramp up the booster programme and is currently administering more than 19,000 vaccinations a day.

## [Take lateral flow tests before you go out to protect others](#)

About 1 in 3 people with COVID-19 don't have symptoms so could be infecting others without knowing.

Take a test before you meet up, especially in busy enclosed spaces. Always stay at home if the test is positive.

You can order your FREE tests [here](#)

---

### FURTHER STORIES

## [Keep Wales Safe leaflet starts rollout to every home in Wales](#)

The new leaflet, packed full of information on how to keep yourself and others safe from COVID-19 this winter, commenced delivery on Monday 6 December.

The leaflet is being translated into 35 languages, and will shortly be available in a range of accessible formats including a British Sign Language version. You can view the different versions as they become available [here](#).

## [Record level of investment sees 15% increase in training places for healthcare professionals in Wales to help support pandemic response](#)

More than £260m will be invested in training healthcare professionals in Wales in an effort to help the NHS respond to the pandemic and challenges in the future.

## **Fund to tackle loneliness and isolation launched**

The three year Loneliness and Social Isolation Fund will support front-line, local, grass-roots organisations, which bring people of all ages together, helping them to build social connections in and across communities.

## **Omicron cases confirmed in Wales**

---
